EMBLEM

Fiano

Bouquet

Notes of Jasmine and honeysuckle intertwine with the freshness of green apple, nashi pear and white peach. Hints of citrus, lemongrass, and a subtle touch of pineapple also make their presence felt.

Palate

Fresh citrus, nectarine, and the crispness of green apple take centre stage. Ginger and a sprinkle of white pepper on the back palate add a layer of complexity. It introduces a bright acidity that is perfectly balanced with the flavour. As the wine evolves, a touch of creaminess emerges, a result of its time spent aging on lees.
